

```
test_supervisor_protections.run  
_all_tests
```

```
graph LR; A["test_supervisor_protections.run  
_all_tests"] --> B["test_supervisor_protections.test  
_supervisor_with_boss_alias_blocked"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'test\_supervisor\_protections.run' followed by '\_all\_tests' on a new line. The right box is gray with a black border and contains the text 'test\_supervisor\_protections.test' followed by '\_supervisor\_with\_boss\_alias\_blocked' on a new line.

```
test_supervisor_protections.test  
_supervisor_with_boss_alias_blocked
