

unittest.TestCase

```
classDiagram
    class unittest_TestCase["unittest.TestCase"]
    class test_analysis_tools_TestImlprepIntegration["test_analysis_tools.TestImlprepIntegration"]
    test_analysis_tools_TestImlprepIntegration --|> unittest_TestCase
```

The diagram shows a class hierarchy. At the top is a box for 'unittest.TestCase' with two empty slots below the name. Below it is a box for 'test\_analysis\_tools.TestImlprepIntegration' which is shaded gray. This box contains a list of attributes and methods. A blue arrow points from the top of the lower box to the bottom of the upper box, indicating inheritance.
