

test_task_completion
_detection.run_all_tests

```
graph LR; A[test_task_completion_detection.run_all_tests] --> B[test_task_completion_detection.test_genuine_with_checkmark_triggers];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a thin black border and contains the text 'test_task_completion' followed by '_detection.run_all_tests' on the next line. The right box is gray with a thin black border and contains the text 'test_task_completion' followed by '_detection.test_genuine' and '_with_checkmark_triggers' on the next two lines. A blue arrow points from the right side of the left box to the left side of the right box.
