

```
axe.CollaborativeSession.start  
_session
```

```
graph LR; A["axe.CollaborativeSession.start  
_session"] --> B["axe.CollaborativeSession.  
_run_collaboration_loop"]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'axe.CollaborativeSession.start' followed by '_session' on the next line. The right box is gray with a black border and contains the text 'axe.CollaborativeSession.' followed by '_run_collaboration_loop' on the next line.

```
axe.CollaborativeSession.  
_run_collaboration_loop
```
