

```
database.agent_db.AgentDatabase.check  
_degradation
```

```
graph LR; A[database.agent_db.AgentDatabase.check_degradation] --> B[database.agent_db.AgentDatabase.get_error_rate]
```

A diagram showing a flow from a function call to a data retrieval operation. On the left, a white rectangular box with a black border contains the text `database.agent_db.AgentDatabase.check_degradation`. A blue arrow points from the right side of this box to the right side of a gray rectangular box with a black border on the right. The gray box contains the text `database.agent_db.AgentDatabase.get_error_rate`.

```
database.agent_db.AgentDatabase.get  
_error_rate
```
